

REDINGTON

GRANDE REEL

DESCRIPTION

Welcome the new heavyweight champion. The GRANDE reel is a fully anodized, machined aluminum reel that features our new sealed SUPER-TORQUE carbon drag system that will KO any fish you hook. After years of field testing, we bulked up the GRANDE with an oversized palming rim, increased backing capacity, and designed an easy to locate handle and drag knob so you can make quick adjustments in the heat of the battle. Never stand down from a fight, regardless of the opponent.

FEATURES

- CNC machined, anodized T-6061 aluminum construction
 - Fully sealed, SUPER-TORQUE, carbon fiber drag system provides smooth and powerful drag in all conditions
 - V-spool with backing canal arbor for reduced line stacking and increased backing capacity
 - Oversized palming rim for increased drag application and spool rigidity
- Optimized reel foot position for true center of gravity to prevent rod twist, and unique, rounded finish for line/leader protection when stowed
 - Enlarged soft-touch, anti-snag handle machined from Delrin to increased grip and ergonomic comfort
 - Nylon reel case included
 - Lifetime warranty

RUN

PERFORMANCE THAT OUTWEIGHS ITS PRICE

The RUN fly reel was designed for the angler looking for a lightweight reel option with the stopping capabilities of a carbon fiber drag system. It's durable, non-machinable die-cast aluminum construction features a unique ported arbor on the inner barrel of the spool for increase durability and decreased weight. This large arbor design allows for quick retrieval allowing you to keep the pressure on the fish, no matter how hard the fight is. Its compact carbon fiber drag is smooth and reliable in all types of environments. So, no matter if you're chasing trout in Montana or find yourself stalking tailing reds during the flood tide, the RUN fly reel is lite on weight not features.

- Coyote, Burgundy, Sand, Black • 3/4, 5/6, 7/8

Reel = \$170.00
Spool = \$85.00

PRODUCT FEATURES

- Unmachinable design
- Constructed from die-cast aluminum
- Ported large arbor design for quick line retrieval
- Compact carbon fiber drag that offers smooth stopping power
- Easy to adjust recessed drag knob that won't catch excess line
- Push button spool release
- Spools are interchangeable with RISE reel
- Rounded reel foot for line protection
- Twin-molded soft-touch ergonomic handle
- Easily converts from left to right hand retrieve
- Nylon reel case included
- lifetime warranty

TILT EURO NYMPH REEL

THE UNFAIR ADVANTAGE

We incorporate three one-ounce removable weights that will allow anglers to dial in any rod and find that perfect balance. The TILT features a fully machined, full-frame narrow large arbor design, which prevents narrow comp line from slipping in between the frame and the spool, with the capability of quick line retrieval. At the heart of this design is a carbon fiber drag system that will quickly put the brakes on any fish.

- Black, Garnet, Silver, Size 2-5

Reel = \$395.00
Spool = \$200.00

PRODUCT FEATURES

- CNC machined, anodized 6061-T6 aluminum design with quick release spool
- Smooth, compact carbon fiber drag system
- Full frame design
- Narrow ultra large arbor design for maximum line retrieval
- Includes three one ounce removable weights allowing for the perfect balance of any rod
- Rounded reel foot for line/leader protection when stowed
- Includes 2MM Allen Wrench
- Lifetime warranty

i.D

The new i.D fly reel is one of the most exciting product introductions we’ve ever made. It features a flat back surface to accept custom decals representing anything from your home state to your favorite fish species, and the decals are simple to remove, stack, or swap to update your reel’s look over time. There is no better product to define your identity as an angler. The i.D features sturdy cast aluminum construction, a smooth rulon disc drag, and a large arbor for speedy line retrieve. A wide variety of decals are available for customization and personal expression.

FEATURES

- Sturdy die-cast construction with full-frame back
- Full-frame back design allows easy personalization with decal application
- Large arbor design for speedy line retrieve and tippet protection
- Smooth and strong rulon disc drag
- Soft-touch, twin-molded dual density handle offers supreme grip and control
- Pre-spooled version available with RIO Mainstream® fly line
- Lifetime warranty
