

ICE FISHING

The MHX solid carbon ice blanks and fiberglass ice blanks have been developed to offer the highest quality, highest level of sensitivity, and the greatest power to weight ratio available in the market. These blanks offers intense durability in the most extreme elements, while leaving no ill-effect on performance. Whether you dead stick, vertical jig, or any application in between, MHX has an ice rod blank just right for you!

FINESSE:

Amazing rod action to make finesse plastics quiver & shake with ease.

LUNKER UP:

Ice rods available that allow you to gear up for those pike and musky.

JIGGING:

The fast action rods are perfect for vertical spoons and jig heads.

LIVE BAIT:

Bobbers, free line, or split shot – these rods allow quick hook sets.

PACIFIC BAY INTERNATIONAL

Arctos Polar Ice Blanks

New for Pacific Bay this year is the launch of our ice blank series. Developed using customer feedback and field testing we engineered some of the most affordable high quality ice blanks that the market has seen.

- Great economical value gives assemblers and builders an advantage over the competition
- Solid Carbon blanks are incredibly sensitive for feeling that delicate bite
